

"I wish I had known about the advantages and benefits of Commissioning on my previous projects. As the Commissioning Agent, Mr. Kohler proved to me that this quality assurance process completes the circle in the construction cycle, ensuring that everything works the way it was intended."

Jack Rantilla, CICA TEC, O'Hare International Airport, IL
T5 Recheck Bag Conveyance and Detection System Project

RANDALL LAMB
commissioning

Under the direction of Michael Kohler, CBCP, Certified Building Commissioning Professional, Randall Lamb is pleased to announce the addition of building commissioning and retro-commissioning to its growing list of professional services that look toward a sustainable and maintainable future.

Kurt Kohler, President & Michael Kohler, Commissioning Manager

We welcome your questions!

Kurt Kohler, PE, LEED AP, *President*
kkohler@randalllamb.com

Michael Kohler, CBCP, *Construction Services*

4757 Palm Avenue, La Mesa, CA 91942

208 Utah Street, Suite 410, San Francisco, CA 94103

we measure success by your satisfaction.

In addition to Randall Lamb's MEP Engineering and Clean Energy Solutions, our Building Commissioning services continue the quest to improve energy management strategy for our clients, ensuring that systems function as intended, as well as improving and optimizing building systems performance and maintenance (retro-commissioning).
